Simple

### Risk Warning:

Trading foreign exchange, CFDs, derivatives and other leveraged financial products carries a high level of risk to your capital and may not be suitable for all investors. You should only trade with money you can afford to lose. You may lose all or more than your initial investment where permitted by applicable law. Please ensure that you fully understand the risks involved and seek independent advice if necessary. Please read and ensure you fully understand **KVB's Risk Disclosure** before trading.

### License:

KVB is licensed and regulated by the Vanuatu Financial Services Commission (VFSC) under Principal License No. 15626/KVB, pursuant to Section 5 of the 2005 Act. KVB is authorized to conduct financial services activities, including foreign exchange, securities, and foreign commodities, as well as other regulated financial services.

KVB Plus (MU) Ltd is authorized and regulated by the Financial Services Commission of Mauritius ("FSC Mauritius") and holds a Global Business License and an Investment Dealer (Full Service Dealer, excluding Underwriting) License under License No. GB26206294.

## 25 Years of Growth. Global Vision

**F**ounded in 2001, KVB is a financial services provider offering clients access to global financial markets. Over the past 25 years, we have grown our presence across more than 100 countries and regions, building a strong international foundation spanning Europe, Southeast Asia, Greater China, and the Middle East. Innovation is at the heart of KVB. We have developed a range of proprietary systems and technologies, including online trading platforms, Customer Relationship Management (CRM) systems, and risk management systems. By combining advanced fintech with robust risk management practices, we strive to provide reliable and innovative trading solutions designed to support a secure and efficient trading experience. With 25 years of industry experience, we remain committed to making trading more accessible and straightforward. We handle the complexity behind the scenes, so our clients can focus on the opportunities ahead.

# About KVB

# Trusted by Numbers

A proven global footprint built on reliability, scale, and continuous growth across international financial markets.

Make Trade

A person is seen from behind, sitting at a desk in a dimly lit room. They are looking at several computer monitors displaying financial data and charts. The room is dark, with the primary light source being the screens. The overall atmosphere is professional and focused.

# Trading Simple

👁 OUR CORE MISSION
